Proposal for a Chinese Extra Care Home in London (2003)

Puts forward a strong case, in the light of the on-going partnership between PRIAE, the Great Wall Housing Association and Hanover Housing, for an Extra Care Home for the Chinese community of London. The report looks at the current policy climate, examines demography and the experiences of BME elders – specifically of Chinese elders in the London area. It gives a model of a Chinese Extra Care Home and illustrates its importance.
